

Ridgemont Hotel,
South Famborough
Hants.

5-6-21.

My dear Mother,

I have just time
before post-time to write you
a note for Saturday. I
have been so busy lately
that I have had no time
for writing. I was in
Southampton all day on
Wednesday and have
been there all day to-day,
having just got back. I
am mixed up with the
machines for the Schneider
Trophy, which are being

Quiet down there.

I will write again soon.
No time now for more

Love from us all to you both,

Your own son

Harold
