My dearest Mother,

Not much news I
fear. I should very much
like to be seeing you soon
but cannot leave here at the
moment as the situation generally
is very unsettled. You see, it
is like this. It is probable
that I shall be transferred
to Cardington (say nothing
about it.) as Senior Technical
Officer there. If this is done,
there is a vast amount of
work to be finished off
here before I can go.

am therefore working hard
and intend to take no leave
until I have finished all
I want to do. If then the
time has not arrived for me
to move, or if I don't move,
I shall take some leave. I
am expecting to go to
Cardington in about 2 or 3
months time, & hope to have
leave in a month or six
weeks. It is however, essential
that I should get everything
here finished off, as soon as
possible.

I have had a letter
from G'na Stem congratulating
me on my promotion. In
it she says, or so I read

it, 'I would be pleased
if you would send me the
Times'. Do you know what
she means? Let me know if
you do.

Mayone & Posh & I send
our love to you both &
hope you are well.

Your ever loving son
Lansley
