My dear Mother,

Thank you for your letter.  
The broadcast has brought me a  
number of letters, including one  
from Fred. Cox which I am about  
to answer. I am glad that  
Uncle too heard it. I must  
see him soon, but, just at present  
I have no car of my own & so  
no petrol except for burners. I  
am running one of my works

cars. I hope to buy a small one for private use very soon.

Mayone has been feeling better until a day or two ago when she developed a boil or carbuncle on her arm pit and a galled finger. They are both clearing up. It is odd that she so frequently gets that sort of trouble these days.

We have fixed up to go to Stoke Gabriel in S. Devon for our holidays, starting on

Aug. 28<sup>th</sup>.

Last Wednesday we went with Edg<sup>r</sup> Percival, to see 'Tommy Trinder in 'Happy and Glorious' at the Palladium. Very amusing. Afterwards we had dinner and danced on about a square foot of floor at Inaplino's.

On Friday, the Handley Paper gave a cocktail party at the Douchester. Mr D went &

had dinner at the RAC  
afterwards.

Did you get a copy of 'The  
Lecture' with the broadcast in?  
It is the issue dated June 28<sup>th</sup>.

The boys are well. I am  
outfitted to be playing for the  
Fathers against the School at  
Bourneville on July 14<sup>th</sup> at  
cricket!

With love

Your own son

Harold
